IRAQ E-VISA – Step by Step Guide

Step1: Start by selecting the right option

Select “Direct e-Visa” option on the top (see in below picture circled in red and green) Do not create account / login, it will lead to a lengthy application

The screenshot shows the top navigation bar of the Iraq E-Visa application website. It includes the 'visa' logo, the text 'جمهورية العراق - وزارة الداخلية' and 'Republic of Iraq - Ministry of Interior', and the Iraqi coat of arms. Below the navigation bar, there are three main options: 'Login' (crossed out with a red X), 'Direct e-Visa' (circled in red and green), and 'Track Application' (with a magnifying glass icon). Below these options, there is a 'Login' section with input fields for 'User Name' and 'Password'. Below the login fields, there is a checkbox for 'I'm not a robot' and a reCAPTCHA logo. At the bottom, there is a 'Create New Account' button, which is also crossed out with a red X. The footer text reads 'All rights reserved © Republic of Iraq, Ministry of Interior'.

Next

It will not allow you to go to next window unless you confirm address in Iraq and upload your passport and picture, see in above picture two red highlighted circles.

Misbah-ul-Hoda Ziyarat with Ma'refat

Once you filled all boxes with red steric, provided hotel address (Burj Al Jawad in Baghdad province) in Iraq and uploaded your Passport and Picture, click on Next and it will take you to payment option.

Error in uploading attachments: Please note it will not accept heavy files and usually people struggle to upload pdf, we find it easier to take screen shot on your mobile and upload the pictures. Only take the screen shot of data page.
